INVITATION

In selecting the Shorthorns for this sale offering, we have chosen only such bulls and heifers as we would buy if we were purchasing and not selling.

The breeding and selling of pure bred Shorthorns has been our principal business for more than a quarter of a century. The business has been reasonably profitable and has been truly a pleasant one.

In the Shorthorn industry one meets the finest men and women of the Nation. We have tried to produce Shorthorns that are a credit to the industry and acceptable to the most discriminating stockmen. Our wide circle of patrons, leads us to believe that we have met with a good measure of success.

While we have sold many cattle by auction in consignment sales, this is our first sale of cattle exclusively from our own herd. We invite our old customers to the sale and trust that we may have some new patrons. We are proud of this offering. We will back every animal that we sell and every statement that we make and we know that you will profit if you buy at this sale. We hope to have you with us on sale day regardless of whether you are in the market for cattle at this time.

Benroth & Griffith.

Milky Way White Knight is one of the best bulls to be found today in any land. He has a most striking head, the sort the breed needs today. He stands on very short legs, is wide, deep, thick and blocky and with it he is smooth and mellow. Moreover he passes his many desirable characteristics on to his offspring. He is the sire of Lots 9, 10, 11, 12, 13, 14, 15, 16 and 17 in this sale. Remember it is the white animals that have put the most quality and the best character into the Shorthorn breed and this great sire has done his full share.

Strowan Rosewood G 3d has a pedigree that will stand the closest scrutiny. Study every bull in it. This heifer is the kind you can expect from such royally bred ancestors. We showed her full sister last year and she was one of the first prize pair of calves at the Michigan State Fair. Her dam is one of the very best cows in our herd and it is doubtful if we ever produced a better heifer than this one.
